

Protocols:

Tee time must be pre-booked. **NO walk-ons** You may arrive on the property up a maximum of 20 minutes prior to your booked tee time (no earlier).

There is a bag drop area when you arrive as carts are not allowed in the parking lot for loading of clubs.

You will be greeted by our Pro Shop staff and provided instructions on how to proceed

Tee time intervals will be 10 minutes apart to enhance physical distancing Physical distancing of 2m (6 feet) is mandatory at all times

We encourage payments in the Golf Shop and Clubhouse to be paid with a credit or debit card to limit the use of cash transactions.

When entering the Pro Shop, staff will spray your hands with sanitizer.

The Clubhouse is open for washroom use only. There are hand sanitizer stations set up at the host stand and server station just before the exit door.

Washrooms on Five Tee will be open and the beverage cart will be stationed there to monitor and sanitize as needed.

Single rider power carts (unless you live in the same household) to be disinfected after each use

No rakes in the bunkers. You can play preferred lies in all bunkers by lifting & placing. Your feet can be used to improve the lie conditions if needed.

All ball washers have been removed from the course

Do not under any circumstances touch a flag stick; always putt with flag in

No sharing of equipment - everyone must have their own set of clubs and golf bag

No sharing of food, beverages or inhalation products

All carts must be returned to the cart staging area immediately after completing your final hole (IE: 9 or 18)

Carts will be cleaned and sanitized after every use.

A limited take-out menu will be posted on 7 tee and can be called in on 9 tee and will be ready for pickup after your round.

After your round, remove all personal items, garbage etc from cart.

Unless you are picking up food take out order all golfers must leave immediately after round

No loitering under any circumstances

Please Practice social distancing at all times.

Failure to follow these protocols will result in your removal from the premises
